

RAHUL PRECISION WORKS PVT LTD

Manufacturer of rubber and rubber to metal bonded components

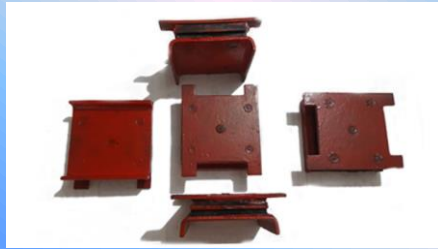

We from “**RAHUL PRECISION WORKS PVT LTD (ELASTOMER DIVISION)**” take the pleasure of introducing ourselves as one of the diversified manufacturer of Railroad and other heavy engineering components. The group is a leading manufacturer of Helical Springs, Cast Steel Components and now foraying into Elastomeric, Anti vibration and other Rubber or Rubber to metal bonded products. We have set-up a state of art manufacturing facility for manufacturing of elastomers and other rubber components. The process adopted for Rubber Moulding is Injection Moulding process which has following key advantages over other moulding process:

- Minimum Rejection
- Maximum Production
- Labour Cost Saving
- Quality Product
- Production by Controlled Parameters
- FIFO System in Injection Moulding
- JIT Based Production System

PRODUCT PROFILE:

We have developed wide variety of Rubber Products, Rubber to Metal Bonded Products for different Industries. Some of our key product range are

INDIAN RAILWAYS:

Elastomeric Pad

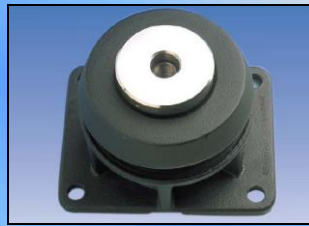

Centre Pivot Washer

High Capacity Draft Gear Pad

HEAVY ENGINEERING INDUSTRY:

AUTOMOBILE INDUSTRY:

Suspension Bushes

Mountings

Moulded Rubber Parts

MANUFACTURING FACILITY:

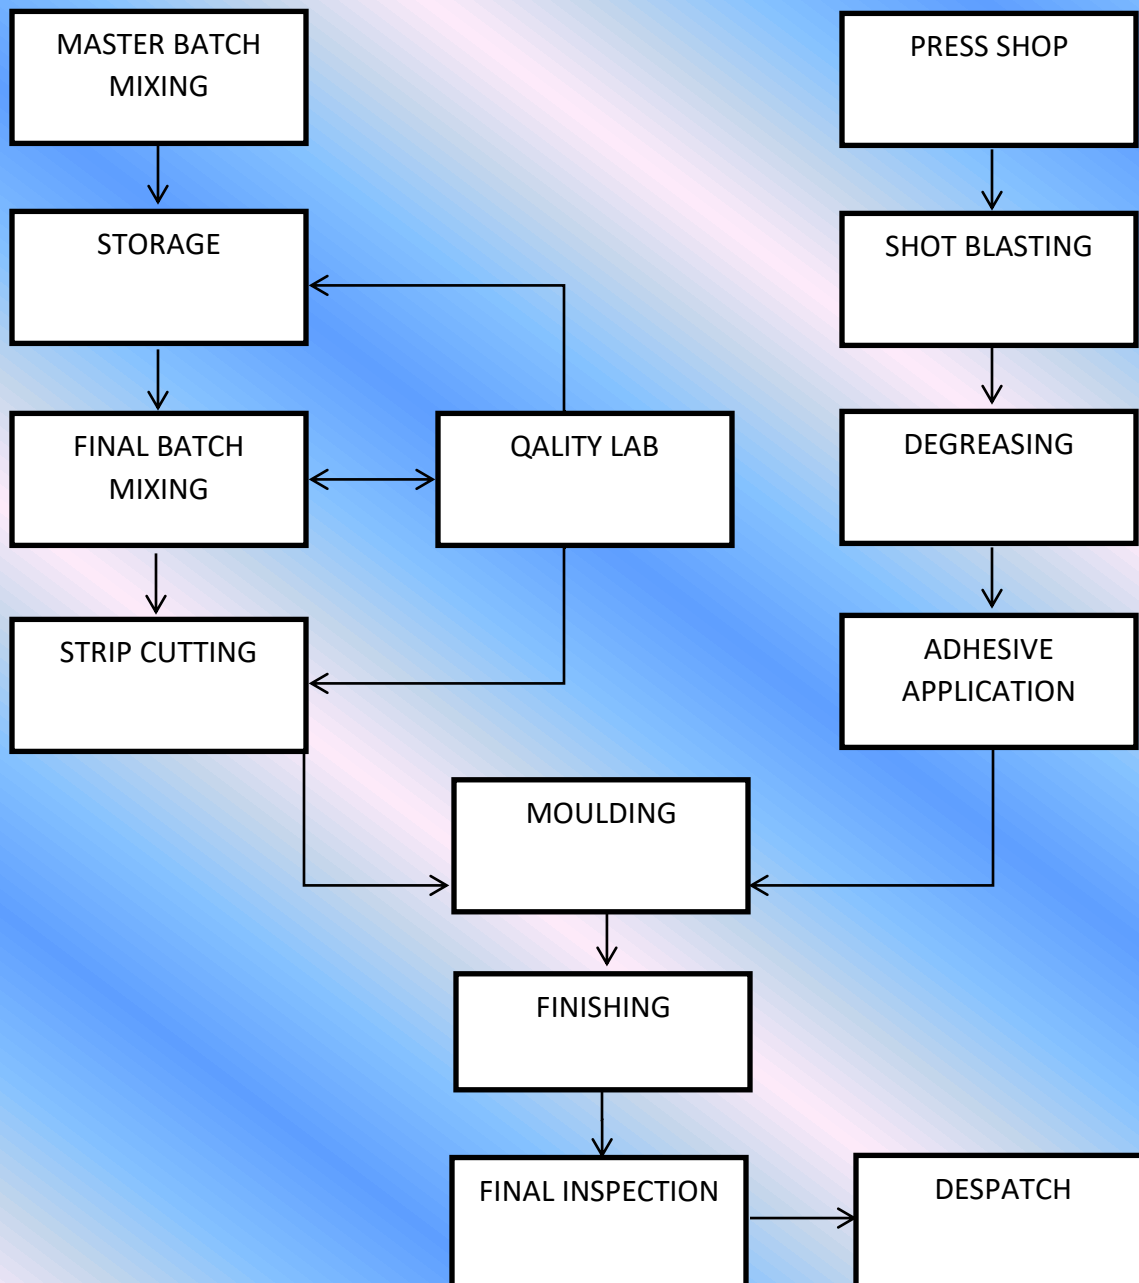

A systematic and mechanized process has been adopted to achieve the highest quality of rubber products. The manufacturing facility boasts of an impressive list of plant and machinery as under :

- Power Press
- Dispersion Kneader
- Shot Blasting Machine
- Mixing Mill
- Injection Moulding Machine
- Painting Booth

- Degreasing Machine
- Oscilating Disc Rheometer
- Universal Testing Machine
- Fatigue Testing Machine
- Lab Mixing Mill
- Lab Press

The following flow chart explains the process is brief:

The Group has always worked on the policy to satisfy the needs of customers through our quality, timely delivery and competitive rates. We aim to achieve the highest goals of customer satisfaction in our new venture and be counted as your trusted source of Rubber Products.

We solicit your enquiries and again assure our best services in time to come.

Best Regards
